### Woman's Friend

Nearly all women suffer at times from female ailments. Some women suffer more acutely and more constantly than others. But whether you have little pain or whether you suffer intensely, you should take Wine of Cardui and get relief.

Cardui is a safe, natural medicine, for women, prepared scientifically from harmless vegetable ingredients. It acts easily on the female organs and gives strength and tone to the whole system.

The Woman's Tonic

Mrs. Verna Wallace, of Sanger, Tex., tried Cardui. She writes: as taken with female inflammation and consulted a doctor, but to no avail, so I took Cardui, and inside of three days, I was able to do my housework. Since then my trouble has never returned." Try it.

April, 1911, will go down in history as being one of the poorest months for the retail business in the United States. Richmond's rainfall was the greatest, with four exceptions, in forty-one years, and in many other sections the weather was even more disagreeable. The public had no need for spring and summer goods, consequently retailers sold very little, many of them cancelling orders placed with manufacturers, and manufacturers were forced to sell at a loss. This was true especially in women's apparel and dry goods of vari ous kinds. We took advantage of many of these opportunities to buy cheap from the manufacturers and we are enabled to offer you in this sale a choice up to date stock of merchandise decidedly under price. It will pay you to come. It will pay you to invest. It will pay you to buy. It is an ill wind that dlows nobody good. This is your opportunity. Come

The farmer and his wife were about to sit down to a cold supper when they saw some old friends driving towards the house.

The good wife was equal to the occasion—thanks to her New Perfection Oil Cook-stove.

She had it lit in a moment, and her guests hardly were seated on the porch before a hearty hot meal was ready for the tablesausages and eggs and long rashers of streaky bacon, and rolls just crisped in the oven and fresh coffee—and the hostess herself as cool and neat as if she had not been near the kitchen.

She never could have managed it with an old-fashioned range. The New Perfection is the quickest, most convenient and best cooker on the market.
